

Strengthening Families in Early Care & Education with Mandated Reporter

When: Tuesday, December 2 through Tuesday, December 10, 2024

Where: Online (Self-paced)

Hour: 3.0

Registry Tier Level: 2

Quality Area: Health and Wellness

Fee: \$25.00

The Strengthening Families initiative is a strength-based approach to preventing child abuse and neglect. Strengthening Families is a Center for the Study of Social Policy (CSSP) initiative that looks at the evidence to find out what factors really reduce child abuse and neglect. This training makes the connections between the factors that prevent child abuse and neglect and the strategies that quality early childhood programs can use to build them up.

Learning Objectives:

- Learn about the five protective factors that strengthen family function
- Identify three next steps to build protective factors in early care and education settings
- Understand how to obtain and use Strengthening Families resources
- Understand expectations and requirements for reporting child abuse and neglect
